Overview

This one-day course is designed to introduce participants to the essentials of visual design using Canva.

Ideal for beginners and non-designers, the course covers the fundamentals of design principles, navigating the Canva interface, and creating simple yet effective designs.

By the end of the day, participants will feel confident in using Canva for everyday design tasks, including social media posts, flyers, and presentations.

Instructor-Led

TRAINER

Li Chong (Onion)

Course Objectives:

- Introduce the basics of design and visual communication.
- Equip participants with Canva navigation skills.
- Understand key design principles.
